

American Juniors, Reach Out, I'll Be There

Hey, I know how you feel
You feel alone
But all you have to do is
Reach out
Now if you feel that you can't go on
(Can't go on)
Because all of your hope is gone
(All your hope is gone)
And your life is filled with much confusion
(Much confusion)
And happiness is just an illusion
(Happiness is just and illusion)
And your world around is crumblin' down
Darling
(Reach out, reach out)
(Come on girl, reach out for me, reach out for me)
I'll be there
With a love that will shelter you
And I'll be there
With a love that will see you through
When you feel lost and about to give up
(Don't give up)
'Cause your best just ain't good enough
(Just ain't good enough)
And you feel the world is growing cold
(Has growin' cold)
And your driftin' out on your own
(Driftin' out on your own)
And you need a hand to hold
Darling
(Reach out, reach out)
(Come on girl, reach out for me, reach out for me)
I'll be there
To love and comfort you
And I'll be there
To cherish and care for you
(I'll be there to comfort you)

I'll be there
To love and comfort you
And I'll be there
To cherish and care for you
I can tell, the way you hang your head
(Hang your head)
You're without of love, now you're afraid
(You're afraid)
And through your tears you look around
(Look around)
But there's no peace of mind to be found
(Peace of mind to be found)
I know what you're thinkin'
You're alone now, no love of your own
But darling
(Reach out, reach out)
(Come on girl, reach out for me, reach out for me)
I'll be there
To give you all the love you need
(To give you all the love you need)
And I'll be there
You can always depend on me
(You can always depend on me)
I'll be there
(I will be there)
To give you all the love you need

(Give you all the love you need)
And I'll be there
You can always depend on me
(Depend on me)
I'll be there
To give you all the love you need
(Give you all the love you need)
And I'll be there
You can always depend on me
