## American Pearl, Giveaway

I know you think everybody's wrong to talk the walk and then talk right through our song I swam a thousand years to meet you there well that's how it feels when nobody cares but don't let go remember we're all rolling stones would you be satisfied that's okay man we're all dyin' to just give it away sorry it don't live here anymore you know just exactly what it's for and I didn't feel like fallin' down today when I couldn't bring myself up anyway don't let go remember we're all rolling stones and you say they lied well that's okay man we're all dyin' to just give it away
