

American Pie 2, Always Getting Over You

Do do do do do
Do do do do do
Do do do do do
Do do do do do
Do do do do do
Do do do do do

Was I not enough stimulation?
Hit by a brake the other day
Just when I thought that I'm okay
You didn't like my conversation
I can't come up with something new
It doesn't really matter what I do
So here's my observation
You could never see it through my eyes
And I'm too tired to try
So don't call and say you're coming back for me
Don't mean nothing, I'm always getting over you
And don't lie and say you're over me
Don't mean nothing, I'm always getting over you

Do do do do do
Do do do do do

Was it too much aggravation?
Your telling me the way that I won't see
And then I change my mind you disagree
I used to be our inspiration
You chase your mind you disappear
And I know it's never over
So don't call and say you're coming back for me
Don't mean nothing, I'm always getting over you
And don't lie and say you're over me
Don't mean nothing, I'm always getting over you

Do do do do do
Do do do do do
Do do do do do
Do do do do do
Do do do do do

Was I not enough stimulation?
Hit by a brake the other day
Just when I thought that I'm okay
You didn't like my conversation
And I can't come up with something new
It doesn't really matter what I do
So don't call and say you're coming back for me
Don't mean nothing, I'm always getting over you
And don't lie and say you're over me
Don't mean nothing, I'm always getting over you

Do do do do do
Do do do do do
Do do do do do

So don't call and say you're coming back for me
Don't mean nothing, I'm always getting over you
And don't lie and say you're over me
Don't mean nothing, I'm always getting over you
So don't call and say you're coming back for me
I'm always getting over you
