

American Pie 2, Be Like That

He spends his whole life being too young
To live the life in his dream
At night he lies awake and he wonders
Why can't that be me?
'Cause in his life he's filled with all these good intentions
He's left a lot of things he'd rather not mention right now
Just before he says good night
He looks up with a little smile at me and he says
If I could be like that, I would give anything
Just to live one day in those shoes
If I could be like that, what would I do?
What would I do? Yeah
Now in dreams we run
She spends her days up in the north hall
Watching the people as they pass
And all she wants is just a little piece of this dream
Is that too much to ask?
With a safe home and a warm bed
On a quiet little street
All she wants is just that something to hold on too
That's all she needs, yeah
If I could be like that, I would give anything
Just to live one day in those shoes
If I could be like that, what would I do?
What would I do? Yeah
Yeah, yeah, yeah, oh yeah
I'm falling into this
In dreams we run away
If I could be like that, I would give anything
Just to live one day in those shoes
If I could be like that, what would I do?
What would I do? Yeah
If I could be like that, I would give anything
Just to live one day in those shoes
If I could be like that, what would I do?
What would I do? Yeah
Falling in, I feel lost
Falling in to this again
