Good (For A Woman)  
Song: Alien Ant Farm

Good (for a woman)  
Leather skin  
Lately it's what i've been thinking about  
This alien girl from above  
We can share our love  
I got it good for a woman  
She's something else  
She's not quite human

I got it good for a woman  
She's something else  
She's not quite human... Human

Venusian queen  
You're so bright the sun gets mean  
I swear it's a dream  
But i pinch myself and your still green  
I got it good for a woman  
She's something else  
She's not quite human  
I'm head over heels for this space case  
Something rhymes and no one fades  
I got it good for a woman  
She's something else  
She's not quite human  
My head's spinning  
Around the world and back again

My head's spinning  
Around the world and back again

I got it good for a woman  
She's something else  
She's not quite human

I got it good for a woman  
She's something else  
She's not quite human
