

American Steel, Close Enough Away

My lungs still hurt
cuz i'm still breathing you
you can't see clear
when i'm always near
if we can't breathe we have to leave
if you come running to me
i'll meet you half way
i'll always stay
close enough away
it's hard to take
the leap of faith
from the pedestal we put
eat other on
i'll climb down one foot at a time
i'll always stay
close enough away
