Yo, you was the last dude,
I thought I'd be attached to.
Caught me off guard,
started feelin' on my tatoo.
Lower back,
then you'd whisper in my ear.
I don't want to scare you,
but I think that we should disappear.
Homie, we ain't known each other very long,
now you trying to lock me in the room, trying to turn me on.
Any other time, I could resist,
now my will is gone.
Getting weak, that ain't eve
what the hell, is going on.

[Chorus: Amerie]

[Verse 4: Amerie]

Oh, tryin' to let it go,
tryin' to keep my eyes closed,
tryin' to keep it just like before.
At times when I never even thought to speak.
Don't want to tell you what it is,
Ooh wee, it felt so serious.
Got me thinkin' just too much,
I wanna, set it off, but...

[Chorus: Amerie]

Its this 1 thing, that got me trippin',
Its this 1 thing, that got me trippin',

[Verse 5: Amerie]

Hey, we don't know each other well,
so why I keep pickin' up my cell.
Memories, just keep ringing bells.

Hear voices, I don't want to understand,
my car keys are jingling in my hand,
my high heels are clickin' towards your door.
Oh-oh-oh-oh oh.

[Chorus: Amerie]
