

# Amerie, 1 Thing (Version)

Na na na na na, oh (uh uh) [4x]

[Verse 1]

Oh, been tryin' to let it go  
Tryin' to keep my eyes closed  
Tryin' to keep it just like before  
Times when I never even thought to speak  
Don't wanna tell you what it is  
Ooh-wee, it felt so serious  
Got me thinkin' just too much  
I wanna shout it out, but

[chorus]

It's this one thing that got me trippin'  
It's this one thing that got me trippin' (you did)  
This one thing your soul made me feel it  
It's this one thing you did, oh, oh, ooh, oh  
It's this one thing that caught me slippin'  
It's this one thing, I want to admit it (you did)  
This one thing and I was all with it  
It's this one thing you did, oh, oh, ooh, oh

[Verse 2]

Hey, we don't know each other well  
So, what I keep picking up my cell  
Memories just keep ringin' bells (ding-ding, ding-ding, ding)  
Hear voices I don't wanna understand (yeah)  
My car keys are jinglin' in my hand (yeah)  
My high heels are clickin' towards your door (ding-ding, ding-ding, ding)

[chorus]

It's this one thing that got me trippin'  
It's this one thing that got me trippin' (you did)  
This one thing your soul made me feel it  
It's this one thing you did, oh, oh, ooh, oh  
It's this one thing that caught me slippin'  
It's this one thing, I want to admit it (you did)  
This one thing and I was all with it  
It's this one thing you did, oh, oh, ooh, oh

[bridge]

And baby, I just can't believe it  
It's this one thing you did, oh, oh, ooh, oh

I'm hopin' you can keep a secret for me  
Look what you did, yeah, oh, oh, ooh yeah

[chorus]

It's this one thing that got me trippin'  
It's this one thing that got me trippin' (you did)  
This one thing your soul made me feel it  
It's this one thing you did, oh, oh, ooh, oh  
It's this one thing that caught me slippin'  
It's this one thing, I want to admit it (you did)  
This one thing and I was all with it  
It's this one thing you did, oh, oh, ooh, oh
