

# Amerie, Dangerous

Whatcha doin' to me?

I guess I'm gonna tell you, don't know if I should

I don't do it everyday, so baby, listen good

It's so hard to admit it but I just wanna get with it

You caught my interest, baby, now I'm so willin'

Little too aggressive but it's kinda fly

'Cause you got the swagger like no other guy

I don't know how you do it but there must be something to it

'Cause whatcha doin' to me I just can't shake it

Whatcha doin' to me?

In the back of my mind I know I'm wasting my time

You put it all on the line 'cause it's dangerous

No matter how hard I try about what I feel inside

I can't do anything to contain this

I keep looking at you 'cause I don't know what to do

About controlling myself but I like it

But I know the game that I'm playin'

so dangerous

No, no, no, no, no, no, no, so dangerous

No, no, no, no, no, no, no, so dangerous

I bet you must be thinkin' that you got me stuck

Drinking all your words down, up and got me drunk

And I got to admit it you got me thinkin' for reasons

For me to fall back and give in and let go

But I can't do it, no, I can't do it, no

In the back of my mind I know I'm wasting my time

You put it all on the line 'cause it's dangerous

No matter how hard I try about what I feel inside

I can't do anything to contain this

I keep looking at you 'cause I don't know what to do

About controlling myself but I like it

But I know the game that I'm playin'

so, so dangerous

No, no, no, no, no, no, no, so dangerous

No, no, no, no, no, no, no, now talk to me

Talk to me, talk to me, talk to me, just talk to me

In the back of my mind I know I'm wasting my time

You put it all on the line 'cause it's dangerous

No matter how hard I try about what I feel inside

I can't do anything to contain this

I keep looking at you 'cause I don't know what to do

About controlling myself but I like it

But I know the game that I'm playin'

so dangerous

In the back of my mind I know I'm wasting my time

So dangerous

No matter how hard I try about what I feel inside

Can't do anything to contain this

I keep looking at you 'cause I don't know what to do

No control but I like it

But I know the game that I'm playin'

so, so dangerous
