Amerie, Got To Be There

nah nah nah
nah nah nah nah nah
nah nah nah nah nah

When you and I first met
We were so inseparable (So inseparable)
And on that last day I left
Thinkin we'd need a miracle (Need a miracle)
Cause every little word that you said to me
Became the biggest pain in my heart
And all my pride making me pretend
You'd be so happy that we're apart
You just don't understand

You just don't understand
You got to be there for me
You hold my heart in your hand
You got to be there for me
You just don't understand

nah nah nah nah nah
nah nah nah nah

So far down this road
I'm not sure we can repair (Sure we can repair)
And each and every time we be on the phone
We both actin like we don't care (Actin like we don't care)
It would be so sad to me
To be the one that got away (One that got away)
And it hurts just as much to see
To see the feelings we have decayed
Decay in front of our eyes

You just don't understand
You got to be there for me (You)
You hold my heart in your hand
You got to be there for me (You just don't understand)
You just don't understand (oh no no)

You just don't understand
You got to be there for me (You got to be there yeah)
You hold my heart in your hand
You got to be there for me

You're all that I have
You don't understand

nah nah nah nah nah
nah nah nah nah (Just can't)
nah nah nah nah nah
nah nah nah nah

Be there
Be there
Be there
Be there
Be there
You got to be there for me (no no no no no no)

Be there
Be there
Be there
Be there

Be there (You)
You got to be there for me (You oh)
You got to be there for me (oh, you got to be)
You got to be there for me (Be there oh)
You got to be there for me (oh oh)
You got to be there for me
