

Amerie, Swagback

(*Amerie)

My head is clear
I'm so surviving
Cuz you're not here
But I'm not crying, no
I finally got my swag back
So I don't need that broken heart
No more, you can have that
Cuz baby I got my swag back, yeah
My head is clear
I'm so surviving
Cuz you're not here
But I'm not crying, no
I finally got my swag back
Too many years I spent here puttin' up with you, with you, ohh
Now baby, I'm feelin' like I heard so many of your lies
I don't know what's true
So I gotta move on
Now you been running that game too long
And we sit back and let you do wrong, ohh
My head is clear
I'm so surviving
Cuz you're not here
But I'm not crying, no
I finally got my swag back
So I don't need that broken heart
No more, you can have that
Cuz baby I got my swag back, yeah
My head is clear
I'm so surviving
Cuz you're not here
But I'm not crying, no
I finally got my swag back
I can't believe I let myself fall hard for you
Cuz I'm way too fly to be played like a fool
But in life you learn what and what not to do, yeah
Got me a new bag and some walking shoes
Now you been running that game too long
(Thinking about all that time wasted)
And we sit back and let you do wrong, ohh
My head is clear
I'm so surviving
Cuz you're not here
But I'm not crying, no
I finally got my swag back
So I don't need that broken heart
No more, you can have that
Cuz baby I got my swag back, yeah
My head is clear
I'm so surviving
Cuz you're not here
But I'm not crying, no
I finally got my swag back
You know you ain't got swagga like mine
I walked out and I won't come back this time
Cuz baby I'm just doin' fine, yeah
