

# Amerie, Talkin to me

Funny how it's hard to find the words sometimes you know  
Wishin we could read minds  
Don't wanna let our feelings show  
So even if you say you don't understand  
I'm willing to give as much time as I can  
Every time our eyes meet  
Every time our eyes meet  
Be talkin talkin talkin talkin to me (talkin to me)  
Talkin talkin talkin talkin to me  
Just ain't no need for words to speak (oh)  
Cause every time  
Be talkin talkin talkin to me  
Be talkin talkin talkin to me (Talkin to me)  
Your always actin so composed and cool  
Never got to many words for me (To many words)  
You always turn your head and make sure I see (Just to make sure)  
Baby ain't nothin' wrong with the love  
That you and I dream of  
So sweet  
Your actions say more than your lips can speak  
My friends say that they just can't see (They just can't see)  
How a love unspoken can be so deep (Can be so deep)  
And every time that you look my way  
I see  
What your heart wants to say to me  
Every time our eyes meet (oh yeah)  
Be talkin talkin talkin talkin to me (Talkin to me)  
Talkin talkin talkin talkin to me  
Just ain't no need for words to speak (Ain't no need for words)  
Cause every time  
Be talkin talkin talkin to me (no no no no no)  
Be talkin talkin talkin to me  
Every time our eyes meet (My eyes meet your, meet yours)  
Be talkin talkin talkin talkin to me  
Talkin talkin talkin talkin to me (To me)  
Just ain't no need for words to speak  
Cause every time  
Be talkin talkin talkin to me (Every touch you give is like your talkin to me)  
Be talkin talkin talkin to me  
oh yeah yeah oh  
Talkin talkin talkin talkin to me  
oh whoa yeah  
talkin talkin talkin talkin to me  
Every time our eyes meet (Every time)  
Be talkin talkin talkin talkin to me  
Talkin talkin talkin talkin to me (oh yeah oh)  
Just ain't no need for words to speak  
Cause every time (I hear you baby callin me just ain't no need for words)  
Be talkin talkin talkin to me  
Be talkin talkin talkin to me  
No need for words
