

Amerie, Tell me U love me

I can feel it now
I said, hey I know it's been a minute since it been good
Baby, I ain't lie
You know a little something missing
Let me give you a piece of my mind
Maybe I need a little attention
Maybe I need a little more time
Maybe I need a little affection
Maybe I need you to just tell me
I'm gonna make you love me
I'm gonna make you love me
I'm gonna give you what you never had
So you're always thinking of me
I'm gonna make you love me
I'm gonna make you love me
I got what you need and you gon see
That baby I'm a make you love me
So just tell me you love me
I know I ain't the one to pay
But I'm a tell you my love don't come cheap
You act like you don't want it but I'll make you
I'm a make you see
That maybe I need a little attention
Maybe I need a little more time
Maybe I need a little affection
Maybe I need you to just tell me
I'm gonna make you love me
I'm gonna make you love me
I'm gonna give you what you never had
So you're always thinking of me
I'm gonna make you love me
I'm gonna make you love me
I got what you need and you gon see
That baby I'm a make you love me
