Bitch Better Have My Money

There ain't nothing like black pussy on my dick

Word to the motherfuckin' DJ Quick

I'm playin' hos like dominoes

Slappin' bones

AMG's on the motherfuckin' microphone

I'm saying "dick" bitch, nothin' more and nothin' less

You got a ****, ho and you can take the test

Bring big fat titties and lots of back

You got the woody and i got the axe

I'm no joke when I stroke for a client

Bitches need dick, so they find it

G with the high top pay

Open up your gauch bag, bitch, so I can get paid

Take off your g-string droors

Bitch, eat your Wheaties cause I don't pause

What are ya laughing at, ain't a damn thing funny

Bitch better have my money

i don't charge by the inch I charge by the foot

Pick up mine, bitch, here take a look

100% USDA Grade A beef

Here's my card, call me

You looked like ya pumped in a while

Pick up the motherfuckin' phone and dial

And have your money in a big-ass stack

I'm singing this dick like a new jack

Bitch better have my money (repeat)

Choose the position pronto, you're on the clock

You can suck the dickity-dick but I'm gonna charge you a nut

Bend your ass on over and touch your toes

Hold your breath cause I'm gonna hold my nose

This dick of mine ain't friendly, baby.

Will it hurt you? Yhea maybe

Probably, because I'm 19 years old

I fuck hot pussy until it's cold

I ain't a prostitute, but i'll knock the boots

Women love me and say I'm so cute

Girls wanna get with me, I tell ya

A big ol' bunch, and a smile and a get her

Pussy ain't nothin' but a game to me

Pockets are fat cause I play them freaks

So when a ho wanna fuck to the throw of a teenage pimp

I wanna see that rip

so bitch better have my money

Motherfuckers out there can't fade me

And bitches out there don't phase me

I take it blow for blow, a ho is a ho

A bitch is a bitch is a bitch so

fuck all the rigamarole

I clap the dough when I slap the flow

She's gonna do it to ya slow while i ya sing along ho

so bitch better have my money
