

Amie Miriello, Hey

I was blinded by the light
Cause I was so misty-eyed
Was looking for love and it was right on time
I was shaking, he was too
You know what i should do
Was late on a sunday, tell me
Is that a crime?
Can you hold me for the last time?
Hold me for the last time?
Can you hold me for the last time, then i'm gone.

Hey!

I call you in the morning
I call you in the evening
I see you around, round, round, round

Hey!

You don't have to love me
You don't have to like me
Just lay me down, down, down, down, down

I don't wanna compromise

Don't wanna have to tell you lies

Let's not get emotional or rationalize

Don't you go imagine that I'll whisper something crazy like, "i love you"

Stranger things have happened to the two of us

Can you hold me for the last time?

Hold me for the last time?

Hold me for the last time, then I'm gone.

Hey!

I call you in the morning
I call you in the evening
I see you around, round, round, round

Hey!

You don't have to love me
You don't have to like me
Just lay me down, down, down, down

If you were the one for me

Would I even recognize

I could be your only

Be your only for tonight.
