

Amie Miriello, I Came Around

La, da, da, da, da, da, yeah
Hold me down, don't ever let me go
I'm a photograph of someone who used to care
I'm a dropout, think about it, baby, that ain't cool
You knew me then and I'm headed straight back there
I shoulda loved you more and I shoulda been more ready
But I'm learning as I go, don't you know
Every day's when it hurts so bad
Everybody changes with a chance and I came around
La, da, da, da, da, da, da
Sleepless nights, drownin' in alcohol
When it comes to mind, blood rushes to my head
Like a sad song all along, I'm the one who's scared
The won who lost and a fool to pay the cost
I shoulda done my best and I shoulda loved you steady
But I'm learning as I go, don't you know
Every day's when it hurts so bad
Everybody changes with a chance
Yeah, I'm learning as I go, don't you know
Every day's when it hurts so bad
Everybody changes with a chance and I came around
Da, da, da, da, da, da, yeah
Mmm
I came around
La, da, da, da, da, da
La, da, da, da, da, da
I shoulda loved you more and I shoulda been more ready
And I should've changed before it really was too late
Oh, but, baby, that's before everything just all fell down
But I'm learning as I go, don't you know
Every day's when it hurts so bad
Everybody changes with a chance
Yeah, I'm learning as I go, don't you know
Every day's when it hurts so bad
Everybody changes with a chance, with a chance
And I'm learning as I go, don't you know
Every day's when it hurts so bad
Everybody changes with a chance, with a chance
And I'm learning as I go, don't you know
Every day's when it hurts so bad
Everybody changes with a chance, I came around
La, da, da, da, da, da, da
I came around
La, da, da, da, da, da, da
