Obsession  
Your never boring  
Your always changing  
You feel amazing take me lead the way  
I'm serious  
Delerious  
so into this just like i'm still away

Crazy about you  
I won't live without you  
one more time i say

i love you  
and every thing you do  
i need you  
don't ever say we are through  
i love you  
the shine is shining the world smiling baby i love you

stupid love  
faulty skin  
heat with in and i can't help my self  
i want to touch it baby  
look what you make me  
i want to do to you the things i do to you

i'm stuck without you  
a mess without you  
and one more time i say

i love you  
and every thing you do  
i need you  
don't ever say we are through  
i love you  
the shine is shining the world smiling baby i love you

i love you  
and every thing you do  
i need you  
don't ever say we are through  
i love you  
the shine is shining the world smiling baby i love you

see these hands when i touch you  
see these eyes yeah whenn i watch you  
see this mouth that has to kiss you
