

# Amiel, Obsession (I Love You)

Your never boring  
your always changin  
you feel amazing  
take me, lead the way  
i'm serious, delirious  
so into this, just let time slip away

Crazy about you, im no good with out you  
what more can i say

I love you and everything you do  
i need you, dont ever say were through  
i love you, the sun is shining the world is smiling  
baby i love you

Your stupid laugh  
your salty skin  
the heat within, and i cant help myself  
i wanna touch it baby, look what ya make me  
i wanna do to you the things i never do

Im stuck without you, im less without you  
What more can i say

I love you, and everything you do  
i need you, dont ever say were through  
i love you  
the sun is shining the world is smiling  
baby i love you  
I love you, and everything you do  
i need you, dont ever say were through  
i love you  
the sun is shining, the world is smiling  
baby i love you

See these hands that wanna touch you  
See these eyes that wanna watch you  
See this mouth that has to kiss you  
as our lips part i start to miss you  
and with my arms wrapped around you  
i breathe you in and i devour you

Im stuck without you, i cant live without you  
what more can i say

I love you and everything you do  
i need you, dont ever say were through  
i love you  
the sun is shining the world is smiling  
baby i love you  
I love you, and everything you do  
i need you, dont ever say were through  
I love you  
could we stay together  
be mine forever  
say you love me too...
