

Ammonia, Drugs

Drugs and money
But there's nothing I'm gonna
Do about it
You're right and I'm crazy
But there's nothing
I'm gonna do about it
You're right and I'm crazy
But there's nothing I'm gonna
Do about it
Drugs and guns
But there's nothing I'm gonna
Do about it
You're right and I'm crazy
But there's nothing
I'm gonna do about it
You're right and I'm crazy
But there's nothing I'm gonna
Do about it
Drugs and money
But there's nothing
I'm gonna do about it
You're right and I'm crazy
But there's nothing
I'm gonna do about it
