

Amon Amarth, Death In Fire

The wait is soon at end
Always charge never bend
Morning is here, make your stand
Live for honor, glory, death in fire!

Total war is here
Face it without fear
Age of sword, age of spear
Fight for honor, glory, death in fire!

See the fire rise
Flames are raging high
Soon all will burn and die
Burn for honor, glory, death in fire!

Storm of lethal flames
Only death remains
Ragnark is closing in
Die for honor, glory, death in fire!

Forces of chaos are on the move
Everyone, choose your side
And know the day is coming soon
The day for all to die

The day is here when Bifrost breaks
Nor sun or moon will rise
When the dead rise from their graves
and Surtur spreads his fire

All you know will wither away
And sink in to the sea
A new world will be born one day
Where everyone is free

Total war is here, face it without fear
Age of sword, age of spear
Fight for honor, glory, death in fire!

Storm of lethal flames
Only death remains - Ragnark is our fate
Die for honor, die for glory
Die, death in fire!
