

Amorosi Vanessa, Every Time I Close My Eyes

Amorosi Vanessa

The Power

Every Time I Close My Eyes

Do you remember,
The time we used to spend,
Doing what, we used to do back then,
But the only thing,
That's different now,
You won't admit your love,
That's if you love me again.

Every time I close my eyes,
The visions reappear,
And when I wake up you're not there.
Could you fall in love with me again?
Cause all I see is you,
Every time I close my eyes.

When you look at me,
I wish that you were mine once again,
Cause now I love you,
More than I did then.
And I'm hoping.
That we can mend it all back,
Cause when we're together,
The spark is there and the flame comes
back.

Chorus

Should I say this to you,
And just let it go,
Tell you what I feel,
And just let it show,
No matter how hard
That I think this through,
My feelings are the same,
I'm in love with you.

Chorus

Cause all I see is you,
Every time I close my eyes,
Every time I close my eyes,
Every time I close my eyes.
