

# Amorphous Androgynous, The Witchfinder

Baby takes it all the time  
She acts crazy like she's lost her mind  
She says "there's good men  
There's God in everyone"  
Let me tell you what I'm gonna do  
I'm gonna give all my love to you, oh  
Let me tell you what I'm gonna do  
I'm gonna give all my love to you, oh  
Let me tell you what I'm gonna do  
I'm gonna give all my love to you, oh  
To you  
Give you all of my love, oh oh  
Give you all of my love, oh oh  
Give you all of my love, oh oh  
Give you all of my love, oh oh  
Give you all of my love, oh oh  
Give you all of my love, oh oh  
So you testify, you testify  
She will, she can't be born no  
Testify, you test the fire  
She says the Gods don't live above 'cos  
They live and breathe within love  
And they'll give you all of their love  
Give you all of their love  
The devil's playing in her eyes  
She tells me all the time to go  
But I can't seem to find my way  
So let me tell you what I'm gonna do  
I'm gonna give you all of my love  
I'm finding all of my love,  
I'm gonna give you all of my love  
Give you all of my love, oh oh  
Give you all of my love, give you all of my love
