

# Amortis, Under the Moonlight

Amortis  
Miscellaneous  
Under the Moonlight

She embraces the Moonlight  
Searching for the Light  
Searching forever  
Under the Moonlight  
Life is not the same  
Temples of Glory  
Heaven is bleeding  
The Light of the Fullmoon  
Refers to the Night  
Hate is just Harmony  
Heaven burns  
We rise!  
Under the Moonlight  
Life is not the same
