

Amos Tori, Bliss

Amos Tori
To Venus And Back
Bliss
Father, I killed my monkey
I let it out to
Taste the sweet of spring
Wonder if I will wnader out
Test my tether to
See if I'm still free
From you

Seady as it comes
Right down
To you
I've said it all
So maybe we're a Bliss
Of another kind

Lately, Im in to circuitry
What it means to be
Made of you but not enough for you
And I wonder if
You can bilocate is that
What I taste
Your supernova juice
You know it's true Im part of you

Seady as it comes
Right down
To you
I've said it all
So maybe we're a Bliss
Of another kind

Steady as it comes
Right down to you
I've said it all
So maybe you've a four horse engine
With a power drive
A hot kachina who wants into mine
Take it with your terracide

Seady as it comes
Right down
To you
I've said it all
I said a Bliss
Of another kind
I said a Bliss
Of another kind
I said a Bliss
Of another kind
So maybe we're a Bliss
A Bliss of
A Bliss of A Bliss of We're a Bliss
Of another kind
