

# Amos Tori, Crucify

Amos Tori  
Little Earthquakes  
Crucify

Every finger in the room is pointing at me  
I wanna spit in their faces  
Then I get affraid what that could bring  
I got a bowling ball in my stomach  
I got a desert in my mouth  
Figures that my COURAGE would choose to sell out now.

I've been looking for a savior in these dirty streets  
Looking for a savior beneath these dirty sheets  
I've been raising up my hands  
Drive another nail in  
Just what GOD needs  
One more victim

Why do we crucify ourselves  
Every day I crucify myself  
Nothing I do is good enough for you  
Crucify myself  
Every day I crucify myself  
And my HEART is sick of being in chains

Got a kick for a dog beggin' for LOVE  
I gotta have my suffering  
So that I can have my cross  
I know a cat named Easter  
He says will you ever learn  
You're just an empty cage girl if you kill the brid

I've been looking for a savior in these dirty streets  
Looking for a savior beneath these dirty sheets  
I've been raising up my hands  
Drive another nail in  
Got enough GUILT to start  
My own religion

Why do we crucify ourselves  
Every day I crucify myself  
Nothing I do is good enough for you  
Crucify myself  
Every day I crucify myself  
And my HEART is sick of being in chains

Please be  
Save me  
I CRY

Looking for a savior in these dirty streets  
Looking for a savior beneath these dirty sheets  
I've been raising up my hands  
Drive another nail in  
Where are those angels  
When you need them

Why do we crucify ourselves  
Every day I crucify myself  
Nothing I do is good enough for you  
Crucify myself  
Every day I crucify myself  
And my HEART is sick of being in chains

Why do we change (chains?)

Crucify ourselves  
Everyday

Never going back again  
Crucify myself again  
You know  
Never going back again to  
Crucify myself  
Everyday
