If 6 Was 9
(Jimi Hendrix)

If the sun refused to shine
I dont how
I dont mind

If the mountains fell in the sea
Let it be
It aint me

Got my own world to live through
Ain't gonna come near you

If a 6 turned out to be 9
I don't know how
I don't mind

If the hippies cut off their hair
I don't care
I don't care

I've got my own world to live through
Ain't gonna come near you

If the sun refused to shine...

What child is this...
What child is this...
What child is this...
What child is this...
What child is this...
What child is this...
What child is this...
What child is this...
What child is this...?
