

# Amos Tori, Not The Red Baron

Amos Tori  
Boys For Pele  
Not The Red Baron  
Not the Red Baron  
Not Charlie Brown  
think I got the message figured  
another pilot down  
and are their devils with halos  
in beautiful capes  
taking them into the flames

Not Judy G  
Not Jean Jean with a hallowed  
heart  
I see that screen go  
down in the flames  
with every step with every beautiful heel  
pointed

Not the Red Baron I'm sure  
Not Charlie's wonderful dog  
not anyone I really know  
just another pilot down  
maybe I'll just sing him a last  
little sound many there know some girls  
with red ribbons  
the prettiest  
red  
ribbons
