

Amos Tori, Not The Red Baron

Amos Tori
Boys For Pele
Not The Red Baron
Not the Red Baron
Not Charlie Brown
think I got the message figured
another pilot down
and are their devils with halos
in beautiful capes
taking them into the flames

Not Judy G
Not Jean Jean with a hallowed
heart
I see that screen go
down in the flames
with every step with every beautiful heel
pointed

Not the Red Baron I'm sure
Not Charlie's wonderful dog
not anyone I really know
just another pilot down
maybe I'll just sing him a last
little sound many there know some girls
with red ribbons
the prettiest
red
ribbons
