Take To The Sky

This House is like Russia

With Eyes cold and grey

You got me moving in a circle

I dyed my hair Red today

I just want a little passion

To hold me in the dark

I know I've got some magic

buried Deep in my heart yeah

but my priest says

You ain't savin no souls

My father says

You ain't makin any money

My Doctor says

You just took it to the limit

And here I stand

With this sword in my hand

You can say it one more Time

What you Don't Like

Let me hear it 1 more time then

have a seat while I

take to the sky

My heart is Like the Ocean

it gets in the way so

Close to touching freedom

then I hear the guards call my Name

if you don't like me just a little

Why Do you hang around

there she goes again

wearing those purple panties

there she goes again

wearing her heart

there she goes again Why do you

take it
