

# Amplify Dot, I'm Good (ft. Busta Rhymes)

You can probably tell from the attitude, I got it!  
Them chick so bark, like a mother fucking florist  
Playing with me, I suggest you set the game to Lopez  
I've been playing in work, you're an intern in a office.

(?)

She hit me like I'm famous,  
Not? say elevated  
I'm waking up with the?  
?getting outrageous, I'm good!  
I'm good (I'm good)  
I'm good (I'm good)  
Stalking upon these papers, my ? the latest  
Surrounded by famous faces? baby, I made it  
I'm good (I'm good)  
I'm good (I'm good)  
I'm good, good, good, good!

Nowadays I'm feeling like my middle name is a bad dog  
(?) when they see me, they might let me out  
? rolling from the jungle, I'm a panther  
And now my name?s spreading, they?  
Kill them with the bad?  
Spin them like belly dancers  
Spitting with all this venom  
Playing snakes these nigs a?  
Climbing to the top  
I'm minding every stop sign quicking down?  
Kinda like a fucking apple mac  
I never PC, can you handle that?  
Champion baby, where?s your wife??  
Falling to your knees like I blow you back at!  
Got him? shit like a pumpkin  
So you know I pull off the ? that?s a motherfucking dumpling  
When you hear my? and the base line to be something

She hit me like I'm famous,  
Not? say elevated  
I'm waking up with the?  
?getting outrageous, I'm good!  
I'm good (I'm good)  
I'm good (I'm good)  
Stalking upon these papers, my ? the latest  
Surrounded by famous faces? baby, I made it  
I'm good (I'm good)  
I'm good (I'm good)  
I'm good, good, good, good!

So, y'all niggas can hang your fucking plans up  
Make you niggas stand up  
Hands up, hands up!  
Hands up, hands up!  
News clips, guess I'm getting new shit, you flip  
New ribs, cruise ships  
Sailing from the tropics  
Bitch, I'm back from vacation and let me take?  
But I'm ? inside while I break a man  
If you .. nigga, run on!  
Never the one to front on, nigga, come on!  
Look around, if you really fuck around, listen (listen)!  
Safety and my gun is not on  
And we're black in the spots and they turn the lights in the club on  
And I'm coming to get your food and get to scrub on

Till it's blood up on the dance-floor, yep!  
?boy, fear squad, done with that  
Back to the dance I drink up to?  
VIP with the only kind of people that we are chopping, Sir  
While we are just?  
We are just in my business  
Back to counting the moon, I don't wanna move without the?  
.. we ain't in a hurry!

Walk like a champion  
Me often talk like a champion  
And it feels real good to me  
It feels so good to me, to me, to me!  
Walk like a champion  
Me often talk like a champion  
Rum-pa-pa-pa  
And it feels real good to me, to me, to me

She hit me like I'm famous,  
Not? say elevated  
I'm waking up with the?  
?getting outrageous, I'm good!  
I'm good (I'm good)  
I'm good (I'm good)  
Stalking upon these papers, my ? the latest  
Surrounded by famous faces? baby, I made it  
I'm good (I'm good)  
I'm good (I'm good)  
I'm good, good, good, good!
