

Ampop, Made For Market

I must admit
that you've been entrapped
dear consumer
But since, you keep me alive
Thanks, we all have to try

Today,
I heard someone say
that I'm here to meet
your greatest needs
Yet another day
so prominently displayed

Buy me! Cause I'm made for market
Buy me! Cause I'm made especially for you

Now, you look so amazed
Have you been informed of what I am made of?
It's not my fault
though your heart gave up
What an insult
I can improve your life, fulfil your needs
you just have to buy

Buy me! Cause I'm made for market
Buy me! Cause I'm made especially for you
