

Amy Dalley, Men Change

He was a bad boy
And I was a good girl
He needed me to smooth out the edges
He'd get his drink on and flirt with the ladies
After two years of his crap I quit begging
I'm a magnet for a fixer-upper man
If I know it's fire, why do I let it burn my hand?

CHORUS:

Cupid works for the devil
Be suspicious if he cries
You know sexy is usually good
Yeah, but it ain't always right
Chocolate is a Band-Aid, no matter what they say
Shoes don't stretch and men don't change

My friend Lisa, she loves a liar
She found out about his other girlfriends
He makes excuses, so she forgives him
She swears she's gonna leave if he screws up again
But he's good lookin, that's why she don't see
He's got her exactly where he wants her to be

Cupid works for the devil
Be suspicious if he cries
You know sexy is usually good
Yeah, but it ain't always right
Chocolate is a Band-Aid no matter what they say
Shoes don't stretch and men don't change

Cupid works for the devil
Be suspicious if he cries
You know sexy is usually good
Yeah, but it ain't always right
Chocolate is a Band-Aid no matter what they say
Shoes don't stretch and men don't change

Sex is usually good

Shoes don't stretch,

Men don't change!
