

# Amy Diamond, A good day

I'm always millions things at once  
A hundred thousand feelings at the same time  
I get a little insecure  
I get a little complicated  
I get a little immature  
Head over heels  
I'll be laughing on the floor  
I can get so frustrated  
I can act like I'm five years old  
But not today  
'Cause it's a good day  
I just want to say  
It's a good day  
No clouds or rain  
In my way  
Hope it's here to say  
What a good day  
Here me say  
It's ok  
No clouds or rain  
In my way  
I feel like I can say  
It's a good day  
Nothin' in my world gets me down no-no  
I put a smile on my face and laugh out loud  
I can feel like I'm always up  
I can feel so inspired  
I can feel like I'm out of luck  
Head over heels  
I'll be laughing on the floor  
I can get a little tired  
I can act like I'm five years old  
But not today  
'Cause it's a good day...  
I can feel it  
It's something in the air  
Just got to grab it and hold it, hear  
What a good day...
