

# Amy Diamond, Diamonds

Diamonds are for keeps  
Diamonds are forever  
Diamonds are a girl's best friend  
Diamonds will be shining  
For a million years  
So will we my dear

We don't really care for glitter  
And caviar's far too bitter  
Silver and gold doesn't blow us away  
It's simply true what they say

Diamonds are for keeps  
Diamonds are forever  
Diamonds are a girl's best friend  
Diamonds will be shining  
For a million years  
So will we my dear

Why settle for less than perfect  
The luster alone is worth it  
Remarkably , sparkly thing I adore  
Glamour galore, koh I noor

Time goes on, changes come  
But they will always stay in trend  
That's what makes a girl's best friend

(Ah)

Diamonds are for keeps  
Diamonds are forever  
Diamonds are a girl's best friend  
Diamonds will be shining  
For a million years  
So will we my dear

Na na na na na  
Na na na na na na  
Na na na na na na na  
Na na na na na na na na na

So will we my dear
