## Amy Diamond, Don't stop me now

Tonight I'm gonna have myself a real good time I feel alive and the world turning inside out Yeah! And floating around in ecstasy So don't stop me now don't stop me 'Cause I'm having a good time having a good time I'm a shooting star leaping through the sky

I'm a shooting star leaping through the sky

Like a tiger defying the laws of gravity

I'm a racing car passing by like Lady Godiva

I'm gonna go go go There's no stopping me

I'm burning through the sky Yeah!

Two hundred degrees

That's why they call me Mister Fahrenheit

I'm trav'ling at the speed of light

I wanna make a supersonic man out of you

Don't stop me now I'm having such a good time

I'm having a ball don't stop me now

If you wanna have a good time just give me a call

Don't stop me now ('cause I'm havin' a good time)

Don't stop me now (yes I'm havin' a good time)

I don't want to stop at all

I'm a rocket ship on my way to Mars

On a collision course

I am a satellite I'm out of control

I am a sex machine ready to reload

Like an atom bomb about to

Oh oh oh oh explode

I'm burning through the sky Yeah!

Two hundred degrees

That's why they call me Mister Fahrenheit

I'm trav'ling at the speed of light

I wanna make a supersonic woman of you

Don't stop me don't stop me

Don't stop me hey hey!

Don't stop me don't stop me ooh ooh (I like it)

Don't stop me don't stop me

Have a good time good time

Don't stop me don't stop me Ah

I'm burning through the sky Yeah!

Two hundred degrees

That's why they call me Mister Fahrenheit

I'm trav'ling at the speed of light

I wanna make a supersonic man out of you

Don't stop me now I'm having such a good time

I'm having a ball don't stop me now

If you wanna have a good time just give me a call

Don't stop me now ('cause I'm havin' a good time)

Don't stop me now (yes I'm havin' a good time)

I don't want to stop at all
