

# Amy Grant, Brand New Start

(Amy Grant)

When I think of all the things  
He's doing for me  
It makes me stand in wonder at what  
He's making me to be  
Tryin' to walk through straight  
But gettin' turned around  
Always makin' my master  
Take a back seat and wait around

[Chorus:]

But I praise the Lord for giving me  
A brand new start each day  
And I praise His blessed name for  
Guiding me all along the way  
For if He didn't I wouldn't even try

Well maybe you can't see a change  
You know these things can take time  
But now that I've found Jesus, well  
He's given me peace of mind  
Now every day is just a chance to grow  
Closer to Him  
I may not win all the battles  
But it's a victory in Him

[Chorus]
