

# Amy Grant, Faith Walkin' People

(Brown Bannister & Amy Grant)

Well it seems with You there is something new  
Every time I turn around  
Oh I never really know quite what to expect  
But it won't get me down

Cause I know You bring each and every thing  
Just to teach me how to live  
And the secret of it all is trusting in You  
And the wisdom to give

[Chorus:]

Say goodbye to the feelings 'cause the feelings go away  
Say goodbye to the people 'cause the people never stay  
Say goodbye to the future if it blinds you today  
Say goodbye to the reasoning that's standing in the way,  
Oh we've got to break away  
Break away to be...  
Faith-walkin' people... can't rely on everything we feel  
Faith-talkin' people... we must discern what's really real  
Faith-walkin' people... can't believe in everything we see  
Faith-talkin' people seems like such a mystery

And in all the earth there is nothing worth  
Half as much as life with You.  
'Cause the people and the things we're counting on here  
Are gonna' pass away too  
I don't understand everything you've planned  
But I don't really have to know  
'Cause You're giving me a joy that's filling my heart when I learn to let go

[Chorus]
