

Amy Grant, Hats

(Amy Grant & Chris Eaton)

The sun comes up
The breakfast show
Can't you see me running
It's crazy don't you know?

The moon is high
I'm working through the night
Will somebody tell me
Where do all the hours go?

Well, it don't stop
No, it's never gonna stop
Why do I have to wear so many things on my head?
HATS!
One day I'm a mother
One day I'm a lover
What am I supposed to do?
HATS!
Working for a livin'
All because I'm driven
To be the very best for you

The water is hot
The phone don't stop
So how do I manage
To hold on to my sanity?

The red dress on
Time for having fun
But can I really be
The girl you think you see in me?

The spirit is willing
But the flesh is weak
Why do I have to wear so many things on my head?
HATS!
One day I'm a mother
One day I'm a lover
What am I supposed to do?
HATS!
Working for a livin'
All because I'm driven
To be the very best for you

HATS!
One day I'm a mother
One day I'm a lover
What am I supposed to do?
HATS!
Working for a livin'
All because I'm driven
To be the very best for you

This may be a dream come true
This may be poetry in motion
This may be a dream come true
But when it all comes down
It's an awful lot to do

HATS!
It don't stop
No it's never gonna stop

Why do I have to wear things on my head?

HATS!

One day I'm a mother

One day I'm a lover

What am I supposed to do?

HATS!

Working for a livin'

All because I'm driven

To be the very best for you

HATS!

One day I'm a mother

One day I'm a lover

What am I supposed to do?

HATS!

Working for a livin'

All because I'm driven

To be the very best

Very best,

HATS!

What am I supposed to do?

HATS!

Working for a livin'

All because I'm driven

To be the very best for you

It don't stop

No it's never gonna stop

Why do I have to wear

Why do I have to wear

HATS!

One day I'm a mother

One day I'm a lover

What am I supposed to do?

HATS!

Working for a livin'

All because I'm driven

To be the very best for you
