

# Amy Grant, Lucky Oneag

Long time since Ive seen you smile  
But when I close my eyes I remember (I remember), mmm  
You were no more than a child  
But then so was I, young and tender.  
Time carries on  
I guess it always will  
Deep inside my heart  
Time stands still.  
Stay for a while  
Well, its good to see your smile  
And I love the company  
Stay for a while  
And remember the days gone by  
For a moment it can seem  
Just the way it used to be.  
Snowfalls, phone calls, broken hearts  
Clear summer days, warm and lazy, yea  
Long walks, long talks after dark  
We felt wed never forget  
Now its easy.  
Time takes its toll  
And time alters our youth  
It would be nice to spend some  
Time with you.  
Oh, stay for a while  
Well, its good to see your smile  
And I love the company  
(Oh) Stay for a while  
And remember the days gone by  
For a moment it can seem  
Just the way it used to be. (repeat and end)
