

Amy Grant, Next Time I Fall

from the duet with Peter Cetera

Love, like a road that never ends
How it leads me back again
To heartache
I'll never understand
Darling, I put my heart up on a shelf
Til the moment was right, and I told myself

The next time I fall in love
I'll know better what to do
The next time I fall in love
The next time I fall in love
The next time I fall in love
It will be with you

Now, as I look into you eyes
Well I wonder if it's wise
To hold you like I've wanted to before
Tonight, I was thinking that you might
Be the one who breathes life in this heart of mine

Next time I fall in love
I know better what to do
Next time I fall in love
Next time I fall in love
Next time I fall in love
It will be with you

Next time I'm gonna follow through
And if it drives me crazy
I will know better why
The next time I try

Next time I fall in love
Next time I fall in love
Next time I fall in love
Next time I fall in love
Next time I fall in love with you
