

Amy Grant, The Prodigal

(Amy Grant, Gary Chapman, Robbie Buchanan)

I face the day again
Against the window pane
I remain your closest friend
And wish you back again
You wonder how I feel
You think you've pushed too far
If only you could see this pen
Scribbling down my heart

[Chorus:]
I'll be waiting
I may be young or old and gray
Counting the days
But I'll be waiting
And when I finally see you come
I'll run when I see you
I'll meet you

But still the days drag on
Why did you decide to go
Did you only need to see
What only time can show

[Chorus]

And even if
You never do return
Still I will have learned
How to love you better

[Chorus]
