

# Amy Grant, There Will Never Be Another

(Brown Bannister & Amy Grant)

[Chorus:]

There will never be another who will love me like You  
There will never be another who could hold me, mold me  
There will never be another who could love me purely  
No there will never be another who has loved me like You

And I know that there will never be another love  
Who could ever be the love that You are

Cause You had so much to lose but still You gave it up for Your scars-  
But that's the way you are  
And if I spent my life attending universities,  
Educated in the wisdom of men  
And if I could even quote a guy like Socrates, even then I couldn't comprehend

[Chorus]

And I know I'll never understand this mystery  
If I live to be a hundred and three  
How You died to live the love You give to me

[Chorus]

There will never be another who has loved me like You
