

# Amy Macdonald, Don t Tell Me That It s Over

Tell me why this world is a mess  
I thought you always tried your best  
Tell me what Im ought to do  
Maybe you should do it too  
Tell me why theyre sleeping alone  
No house, nowhere to call a home  
Tell me what Im meant to see  
Wont you stop preaching at me?  
And I wanna see what its all about  
And I wanna live, wanna give something back.  
Dont tell me that its over,  
Its only just begun.  
Dont tell me that its over  
Or that this song is sung,  
The song is sung.  
All the money in the world  
Would never slit all the wrongs to right,  
All the fire in the world  
Would never set my heart alive.  
I dream of a day when its all gone away  
And the sun is shining bright,  
I dream of a day when its all gone away  
But dreams are for night.  
And I wanna see what its all about  
And I wanna live, wanna give something back.  
Dont tell me that its over,  
Its only just begun.  
Dont tell me that its over  
Or that this song is sung,  
The song is sung.  
Dont tell that its over,  
Please, Im on my knees, Im begging you to stop,  
Its over, please, Im on my knees, Im begging you to stop.  
And I wanna see what its all about  
And I wanna live, wanna give something back.  
Dont tell me that its over,  
Its only just begun.  
Dont tell me that its over  
Or that this song is sung,  
The song is sung.
