

Amy Macdonald, Dream On

Never gonna be on my wn
It's cleare as the day
Never gonna cast my anchor out
I'm a free spirit
Torn in a way
I can't stay here for too long
I got to keep on mobving on
Nothing fades as nothing changes
This place is driving me crazy

Live on
Dream on
I'm on top to the World
And I'm on the right track
I'm on the top of the World
And I won't look back
/2x

I was lioving for the weekend
And the drinks are on me
Skipping school and cutting out
I wish this world would let me be
Trying to catch a feeling
Trying to find myself
We run out into temptations
Coz this old place is driving me crazy

Live on
Dream on
I'm on top to the World
And I'm on the right track
I'm on the top of the World
And I won't look back
/2x

I miss you when I'm gone
I'm still playing the same old song
Dance like we used to do
But I'm better without you Better without you

Live on
Dream on
I'm on top to the World
And I'm on the right track
I'm on the top of the World
And I won't look back
