## Amy Macdonald, Mr. Rock & Roll

So called Mr Rock and Roll Is dancing on his own again Talking on his phone again To someone who tells him that his balance is low He's got no where to go He's on his own again

Rock chick of the century
Is acting like she used to be
Dancing like there's no-one there
Before she ever seemed to care
Now she wouldn't dare
Its so rock and roll to be alone

And they'll meet one day, far away And say "I wish I was something more" And they'll meet one day, far away And say "I wish I knew you, I wish I knew you before"

Mrs Black and White She's never seen a shade of grey Always something on her mind, Every single day But now shes lost her way And where does she go from here

Mr Multicultural
Sees all that one could see
He's living proof of someone
Very different to me
But now he wants to be free,
Free so he can see

And they'll meet one day, far away And say "I wish I was something more" And they'll meet one day, far away And say "I wish I knew you, I wish I knew you before"

He'll say "I wish I knew you, I wish I met you when time was still on my side" She'll say "I wish I knew you, I wish I loved you before I was his bride"

And so they must depart
Too many more broken hearts
But I've seen that all before
In TV, books and film and more
And there's a happy ending
Every single day

And they'll meet one day, far away And say "I wish I was something more" And they'll meet one day, far away And say "I wish I knew you, I wish I knew you before"
