

# Amy Macdonald, Spark

Don't wanna see the stars  
Don't wanna see the moon  
Don't wanna see the sun  
That rises up too soon  
Don't wanna see the day  
Don't wanna see the night  
Oh the afternoon it feels

I am a spaceman flying high  
I am an astronaut in the sky  
Don't worry  
I'm okay now  
I am the light in the dark  
I am the march  
I am the spark  
Don't worry I'm okay now

After the storm always comes the rain  
Followed by hurt and pain  
After the light comes the dark  
After the love comes the breaking of the heart

I am a spaceman flying high  
I am an astronaut in the sky  
Don't worry  
I'm okay now  
I am the light in the dark  
I am the march  
I am the spark  
Don't worry I'm okay now

I am a spaceman flying high  
I am an astronaut in the sky  
Don't worry  
I'm okay now  
I am the light in the dark  
I am the march  
I am the spark  
Don't worry I'm okay now
