

# Amy Ray, Black Heart Today

Words and music BY Amy Ray

She brings me Spanish Clementine  
I eat them by the waterside  
Throw the peels and taste the clean  
How could I still feel so mean

Take this meanness out of me  
Take this meanness out of me  
Take this meanness out of me

Oh whoa whoa  
Oh whoa whoa  
Oh whoa whoa

I got a black heart today  
No amount of kindness'll turn it the other way  
Even the dogs are tired of me  
Howling at the trees

Take this meanness out of me  
Take this meanness out of me  
Take this meanness out of me

Oh whoa whoa  
Oh whoa whoa  
Oh whoa whoa

I got a black heart today  
(Ooh)  
(I got a black heart today)  
I got a black heart today  
(Ooh)  
(I got a black heart today)  
I got a black heart today  
(Ooh)  
(I got a black heart today)  
I got a black heart today  
(Ooh)  
(I got a black heart today)  
I got a black heart today  
(Ooh)  
(I got a black heart today)  
I got a black heart today  
(Ooh)  
(I got a black heart today)

Oh whoa whoa  
Whoa whoa whoa
