

# Amy Ray, Let It Ring

When you march stand up straight.  
When you fill the world with hate  
Step in time with your kind and  
Let it ring

When you speak against me  
Would you bring your family  
Say it loud pass it down and  
Let it ring

Let it ring to Jesus 'cause he sure'd be proud of you  
You made fear an institution and it got the best of you  
Let it ring in the name of the one that set you free  
Let it ring

As I wander through this valley  
In the shadow of my doubting  
I will not be discounted  
So let it ring

You can cite the need for wars  
Call us infidels or whores  
Either way we'll be your neighbor  
So let it ring

Let it ring  
in the name of the man that set you free  
Let it ring

And the strife will make me stronger  
As my maker leads me onward  
I'll be marching in that number  
So let it ring

I'm gonna let it ring to Jesus  
Cause I know he loves me too  
And I get down on my knees and I pray the same as you  
Let it ring, let it ring  
'Cause one day we'll all be free
