

Amy Sky, Love Pain And The Whole Damn Thing

<Its a little secret your friends wont tell
Heavens highway sometimes takes you through hell
Love is work and work is hard
there are ghosts inside the dark

CHORUS

And it takes
Love pain the whole damn thing
if you want my heart you get everything
Love pain the whole damn thing
Its a crown of thorns to wear a golden ring
Love pain the whole damn thing
if you want my heart
you get everything
Cinderella walked upon broken glass
sleeping beauty let a whole lifetime pass
Love is blood and sweat and tears
Love means facing all your fears

CHORUS

And you get
Love pain the whole damn thing
if you want my heart you get everything
Love pain the whole damn thing
Its a crown of thorns to wear a golden ring
Love pain the whole damn thing
if you want my heart
if you want my heart
you get everything

BRIDGE

Paradise aint cheap
Heaven keeps us waiting
So baby wait with me
cause if it's love we're making
I'll take it all
Can you take it all
And can you take it all yeah

CHORUS

Yeah And you get
Love pain the whole damn thing
If you want my heart you get everything
Love pain the whole damn thing
Its a crown of thorns to wear a golden ring
Love pain the whole damn thing
If you want my heart
If you want my heart
If you want my heart
You get everything
You get everything yeah
You get love, you get pain
You get love, can you take the pain baby

You gotta give something, If you wanna get something back
You gotta give a little something, If you wanna get something back
You get everything
You get love
You get love
You get love>
