

# Amy Studt, Gonna Be Fine

Constantly, finding ways to fill the empty space  
But still it seems  
That nothing touches you any more  
And you're not really sure, which way to turn

If you feel the sadness sweep you off your feet  
Doubled in the things that you feel  
Don't be ashamed, of who you are  
And don't be afraid to stand your ground

CHORUS X 2

Cause at the, end of the day  
You're one step closer to finding your way  
And although you might think you're out of time  
You're gonna be fine

You should know, that things aren't always as they seem  
So why still swim in the depths of a tide  
That's pulling you in  
Makes you think your life has been  
A waste of time

Leave the shade and step out into the glare  
Peace of mind awaits you there  
Don't be afraid, to stand your ground  
Don't be ashamed of who you are

CHORUS X 2

Never had the help to find your way  
There's nothing you could do or say  
You had to find your own mistakes to learn  
Just look inside of you  
You've got to find your own way through

CHORUS X 2
